**Client:** Dorchester Hotel Group

**Main Contractor:** Kier

**Architect:** Paul Davis and Partners

**Package Value:** £650K

**Scope of Works:**

After the Dorchester Group acquired the building, formerly the Playboy Club, it was extensively refurbished to create a boutique hotel in the Art Deco style.

Szerelmey installed extensive Travertine flooring to the lounge, reception and restaurant areas, and undertook all the stonework in the lavish bathrooms. These were finished to a very high specification with the Szerelmey team sourcing and installing Amberino Spanish marble

flooring and wall cladding. The penthouse bathroom was completely fitted out by the team using Calacatta marble.
